The Honorable McGeorge Bundy  
Special Assistant to the President  
for National Security Affairs  
The White House  
Washington, D. C.

Dear Mac:

I wish to direct your attention to the letter of 16 May from the Chairman of the President's Intelligence Advisory Board addressed to the President on the general subject of satellite activities.

In my opinion, this is a matter of utmost importance to our national security and I should like to suggest that the interested Departments and Agencies resolve these questions as soon as possible either through meetings convened by your office, or through the Special Group mechanism.

It is, in my opinion, particularly important to see that the appropriate policy makers and government spokesmen in the United Nations are appropriately briefed.

Sincerely,

s/

John A. McCone  
Director
